NEW BUSINESS

Romeo gave the treasury report. There is currently \$4963.71 in the account. There were no deposits or expenditures. **Romeo** advised that Wells Fargo bank has been charging \$14 a month for service fees. It was discussed that the club should explore other bank possibilities. **Jerry** advised that he would check with his bank, Space Coast Credit Union to see what they offer.

Jerry discussed that the AMA sent an email regarding the notification to the Ormond Beach Municipal Airport, due to the fact that the club operates within 5 miles of the airport. **Terry** advised the airport manager, Steve Lichliter is aware of the clubs existence, and the proximity to the airport (2.5) miles. Since the AMA indicated that verbal notification was sufficient, the club voted unanimously to not send the notification form to the airport manager.

Terry discussed using the club funds to purchase the first club shirt for it's members. All other shirts will be purchased by the individual member. **Steve** raised a motion on this matter, second by **Romeo**, motion carried by unanimous vote.

As there was no further business, **Terry** declared the meeting adjourned.

Respectfully Submitted,

Jerry Zito, Secretary O.B.R.C.C.
